

# CUBAN<sup>TM</sup> REVOLUTION

EVERY CITY HAS ONE PLACE YOU HAVE TO VISIT.  
IN DURHAM... THIS IS IT.

We mark the revolutionary spirit of those who struggle against tyranny, corporate greed and government largesse. We provide a spirited counter-culture environment reminiscent of a 1960s coffee house with the passion of a Latin beat... all wrapped up in a setting that propels you back to tropical 1950s Cuba. Enjoy!

**FACT**

Just days prior to John F. Kennedy's assassination, he sends an emissary to meet with Fidel Castro to begin a process to end the Cuban embargo. (Many speculate that Kennedy was killed by the Mafia and expatriated Cubans for abandoning them.) In spite of Kennedy's obvious intentions, eight U.S. Presidents have refused to normalize relations with Cuba.

The Iraq war is now costing taxpayers \$12 billion per month. 4000+ US men and women killed. tens of thousands have been injured. It's time to bring our troops home.
